GUARANTEE

All Hush Sleep Collection products have a five year guarantee for peace of mind. If a servicing issue arises within the first five years of purchase, then contact must be made in the first instance with the retailer from whom the bed was purchased. Once the retailer has inspected the product, they will contact Hush Sleep Collection for the next stage of the procedure. If within the first five years of purchase the product is found to have a manufacturing defect or fault, it will be repaired or replaced at the company's discretion free of charge.

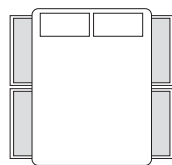

We reserve the right to refuse service when a bed is found to be in an unhygienic condition. Where there is no manufacturing fault or defect, a charge will be made for a repair requested by a consumer. We reserve the right to substitute materials of at least equal quality if those originally used are unavailable. This includes the right to substitute an alternative cover, of equal quality, should the one originally supplied be discontinued or not available.

Hush does not bear responsibility if the care instructions enclosed with the product have not been followed or where the product has been misused or mistreated. This guarantee does not affect the customer's statutory rights.
